

Minimum entry qualifications

This information should be taken only as a guide. We receive a large number of applications each year, so meeting the minimum entry requirements does not guarantee an offer of a place on the programme.

If your country is not listed here, please send your academic qualifications and certificates with your application and we will assess them for you.

Please note:

- All students must have maths at the equivalent of GCSE grade C
- BSc Accounting and Finance students must have maths at 70% at GCSE or equivalent
- MPharm students must have chemistry and biology at 70% at GCSE equivalent
- BSc Psychology students must have biology at 70% at GCSE equivalent
