

# Digital Photography - Holiday Workshop

Course Type: Part Time Love2Learn

Location: City Centre Campus

This four-day Digital Photography Holiday Workshop focuses on digital camera skills and photo editing, giving you the opportunity to explore aperture and shutter speed, white balance and techniques in lighting. You will use our professional photographic studio and Mac facilities to develop personal responses. Equipment is available, but if you prefer to work with your own camera, please bring it along.

## What topics are covered?

Getting to know your camera; Composing a photograph; Aperture, shutter speed and ISO; Using natural lighting; Using different lenses; Using Flash; Producing contact sheets; Image editing using Adobe Lightroom; File sizes and resolutions; Preparation for print.

## Who is the course aimed at?

Suitable for beginners and those wishing to develop their skills in taking and editing pictures.

## How will I learn?

Lectures, shooting on location, demonstrations & practical tasks, image editing on Apple Macs only.

## What can I do after this course?

This four-day course will enable you to combine a variety of approaches to digital photography. The programme will focus upon developing and exploring digital camera skills and photo editing, giving students the opportunity to explore aperture and shutter speed, white balance and techniques in lighting. You will use our professional photographic studio and Mac facilities to develop personal responses. Equipment is available, but if you prefer to work with your own camera, please bring it along.

## Which department is this course in?

Department of Creative Arts and Enterprise

## Where will I need to go on my first day?

On your first day, please report to the Reception in the **Roper Building** at [City Centre Campus](#).

## What do I need to bring?

Please bring your SLR camera or Bridge camera. We can loan cameras for each session if necessary.

## What else do I need to know?

Apple Macs will be used for image editing. A basic working knowledge of a mac is advisable. To avoid disappointment, please make sure you enrol on your chosen course early. Decisions regarding running or cancelling a course are made one week prior to the start of the course. If a course is cancelled, you will be informed and your course fees refunded in full. Please see [Terms and Conditions of Enrolment](#).

The course will not run on bank holidays or during half term. Please check the [term dates](#).

## Where can I find out more information?
