

## Ceramics - Introduction

Course Type: Part Time Love2Learn

Location: City Centre Campus

This popular one-day introduction to ceramics course will introduce you to the exciting craft of manipulating clay through hand building techniques. You will have the opportunity to investigate the construction of a coil or slab vessel, guided by expert advice. Your final work will be fired with a simple glaze for your collection at a later date.

### Which department is this course in?

Department of Creative Arts and Enterprise
