

Digital Photography - Introduction

Course Type: Part Time Love2Learn

Location: City Centre Campus

This one day workshop will explain and demystify how to use the manual settings on your camera so you can get most from your photographs. You will learn techniques to progress your camera creative skills independently. Ideal for beginners and those wishing to refresh knowledge of their camera.

What topics are covered?

Manual settings including shutter speed, aperture, ISO, white balance and introduction to lenses, file formats and processing.

Who is the course aimed at?

Ideal for beginners and those wishing to refresh knowledge of their camera.

How will I learn?

Lectures, practical exercises, group discussion, editing of images on Apple Macs only.

Which department is this course in?

Department of Creative Arts and Enterprise

Where will I need to go on my first day?

On your first day, please report to the Reception in the **Roper Building** at [City Centre Campus](#).

What do I need to bring?

Please bring your SLR camera or Bridge camera. We can loan cameras for each session if necessary.

What else do I need to know?

Apple Macs will be used for image editing. A basic working knowledge of a mac is advisable. To avoid disappointment, please make sure you enrol on your chosen course early. Decisions regarding running or cancelling a course are made one week prior to the start of the course. If a course is cancelled, you will be informed and your course fees refunded in full. Please see [Terms and Conditions of Enrolment](#).

The course will not run on bank holidays or during half term. Please check the [term dates](#).

Where can I find out more information?

If you need help or answers to specific questions, please contact the [Student Advice Centre](#) on [01225 312191](tel:01225312191) ext 720 or email info@bathcollege.ac.uk.

How do I enrol?
