

Plumbing DIY

Course Type: Part Time Love2Learn

Location: Somer Valley Campus

This Plumbing DIY course is designed for beginners who want to fix minor plumbing problems around the house. Core plumbing skills will be covered and you will be able to address your individual problems and interests based upon your own domestic plumbing installations.

What topics are covered?

Taps; Flood valves; Basic pipework.

Who is the course aimed at?

Anyone interested in developing their DIY skills in plumbing. Suitable for beginners, no experience necessary.

How will I learn?

Combination of practical demonstrations and exercises.

What can I do after this course?

Level 2 Plumbing Diploma

Which department is this course in?

Department of Technology

Where will I need to go on my first day?

On your first day, please report to the Reception in the **Cam Building** at [Somerset Valley Campus](#).

What do I need to bring?

Safety boots advisory but not essential.

What else do I need to know?

To avoid disappointment, please make sure you enrol on your chosen course early. Decisions regarding running or cancelling a course are made one week prior to the start of the course. If a course is cancelled, you will be informed and your course fees refunded in full. Please see [Terms and Conditions of Enrolment](#).

The course will not run on bank holidays or during half term. Please check the [term dates](#).

Where can I find out more information?

If you need help or answers to specific questions, please contact the [Student Advice Centre](#) on [01225 312191](tel:01225312191) ext 720 or email info@bathcollege.ac.uk.
