

## **Publisher Level 2 CLAIT+**

Course Type: Part Time Qualifications

Level: 2

Duration: 10 weeks

Location: City Centre Campus

Publisher is an accessible tool for creating and formatting documents. At this level it can be used to structure your own marketing posters and leaflets. You will learn how to setup your own templates, implement columns and import and manipulate images as required. Attendance is flexible to be arranged with your tutor on application. This course may also be available at our Somer Valley Campus. Please contact the Student Advice Centre or visit [www.bathcollege.ac.uk](http://www.bathcollege.ac.uk) to register your interest.

### **What topics are covered?**

You will learn how to:

- Set up a template.
- Import text and graphics.
- Reformat page settings.
- Adding columns.
- Balancing white space to fit available printing space.
- Understand text-flow and font styles.
- Explore print settings for colour separation printouts.

### **Who is the course aimed at?**

This course is aimed at anyone with a keen interest in IT.

### **What are the entry requirements?**

There are no entry requirements, just an interest in IT is needed.

### **What qualifications will I gain?**

You will gain an OCR Level 2 Publishing Software qualification.

## Who is the awarding body?

[OCR \(Oxford, Cambridge and RSA Examinations\)](#)

## How will I learn?

You will learn in a Computer-based classroom with tutor support.

## How will I be assessed?

You will be assessed via an OCR set exam assignment.

## What can I do after this course?

On successful completion of this course you could book onto one of our Microsoft Office courses to gain another professional qualification or check out our part time Higher National level 4 qualification to improve your job prospects in computing. We also have a series of web design courses covering basics from HTML and CSS to JavaScript and PHP, as well as programming.

## Are there any additional costs?

There are no additional costs. The exam fees are included in course cost as well as the workbook which will be a valuable reference after the course completion.

## Which department is this course in?

DECC (Department of Engineering, Construction & Computing)

## Where will I need to go on my first day?

On your first day, please report to the Reception in the **Roper Building** at [City Centre Campus](#).

## What do I need to bring?

A note pad, pen and a memory stick.

## What else do I need to know?

To avoid disappointment, please make sure you apply for your chosen course early. Decisions regarding running or cancelling a course are made one week prior to the start of the course. If a course is cancelled, you will be informed and your course fees refunded in full. Please see [Terms and Conditions of Enrolment](#).

The course will not run on bank holidays or during half term. Please check here for [term dates](#).

## Where can I find out more information?

If you need help or answers to specific questions, please contact the [Student Advice Centre](#) on [01225 312191](tel:01225312191) ext. 720 or email [info@bathcollege.ac.uk](mailto:info@bathcollege.ac.uk).
