

Stone Carving

Course Type: Part Time Love2Learn

Location: City Centre Campus

This stone carving course is aimed at carvers of all levels of experience from total beginners to the advanced. Beginners will be guided through the process of carving straight lines and curves, progressing on to leaves, flowers then a rose relief. More advanced carvers will have the opportunity to choose an item to carve, which could be an animal, a mythical beast or an architectural detail. They will then be guided through the various methods of approaching a carving in the round. Previous students have carved heads, animals, architectural items and ornament.
