

Dear Sir or Madam

This email is sent to you on behalf of Ofsted (Office for Standards in Education, Children's Services and Skills).

Ofsted inspects the further education and skills college or provider that has sent you this email.

We have an online questionnaire for employers to give us your views about the learning or training providers you work with. This is called Employer View.

If you work with more than one provider you may be sent an email by each of these providers, and are welcome to complete a questionnaire for each one.

We would be grateful if you would fill in the Employer View questionnaire to help us understand how well the further education and skills provider supports you and your employees and how well it ensures the best possible outcomes for learners. Results will be used by inspectors during inspection to identify issues to look at in more detail.

To complete the questionnaire, you will need to register on the Employer View site using your email address and instructions for logging in and creating a password will be emailed to you. Once logged in you will be able to search for the provider that you are working with in order to give your views about them.

Please click on the link below to find out more and to complete the questionnaire:

We also have a video about Employer View which you may find useful. You can view the video at the following link:

If you have any queries or require assistance please call us on 0300 123 1231 or email us at fes@ofsted.gov.uk.

Thank you for taking the time to complete Employer View.

Regards
