

Dear Sir or Madam

This email is sent to you on behalf of Ofsted (Office for Standards in Education, Children's Services and Skills).

Ofsted inspects the further education and skills provider that has sent you this email.

We have an online questionnaire for parents and carers of learners to help you to give us your views about the provider that your son, daughter, or young person in your care is learning or training with.

If they are learning or training with more than one provider you may be sent an email by each of them and are welcome to complete a questionnaire for each one. Please note that the link to the questionnaire will be different for each provider. Inspectors will use the results during inspection to identify issues to look at in more detail.

We would be grateful if you would complete the questionnaire to help us understand how well the further education and skills provider supports its learners to ensure the best possible outcomes.

You can complete the questionnaire and find out more information about it by clicking on the link below.

If you have any queries or require assistance please call us on 0300 123 1231 or email us at [fes@ofsted.gov.uk](mailto:fes@ofsted.gov.uk)

Thank you for taking the time to complete our questionnaire.

Regards

Charles Ojukwu  
Policy Officer
